

Universal 2 aquaBUBBLER

Product Code : AB2UA14

With two universal access side pods and 4 taps - including one exclusively for refilling bottles - the AS1428 compliant **Universal 2 aquaBUBBLER** drinking fountain is a hydration hub. Its all abilities Palm Push taps require minimal force to operate (18 N to initiate, and 15 N to maintain flow). Pedal operated Hands Free tap option is also available.

All materials and parts used are heavy duty and graffiti-resistant for a long life of service. The **Universal 2** is manufactured and assembled entirely in Australia and is available in a variety of heights and colours. A range of accessories augments the functionality of your Universal 2, and our full service program prolongs its life indefinitely.

*The SP height for AS 1428 compliance is 700mm.

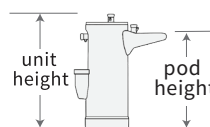

EXTRAS: Branding and Signage, Dog Bowl options are available. More information on your request
