

Twin Refill aquaBUBBLER

Product Code : ABS14

Two water bottle refill taps and changeable signage spaces - one of each on either side of the unit

The **Twin drinking bottle refill aquaBUBBLER** has 2 taps exclusively for refilling bottles. Its All Abilities Palm Push taps require minimal force to operate (18 N to initiate, and 15 N to maintain flow). Pedal operated Hands Free tap option is also available.

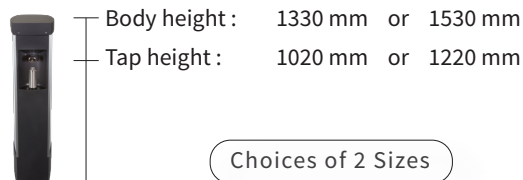

Two changeable poster panels provide valuable visual messaging space to your audience, and all materials and parts used are heavy duty and graffiti-resistant for a long life of service.

The **Twin Refill** is manufactured and assembled entirely in Australia and is available in a variety of heights and colours. A range of accessories augments the functionality of your Twin Refill, and our full service program prolongs its life indefinitely.

EXTRA : Branding and Signage, Dog Bowl options are available. More information on your request
