

Wall Twin Drinking aquaBUBBLER

Code : ABWD23X2

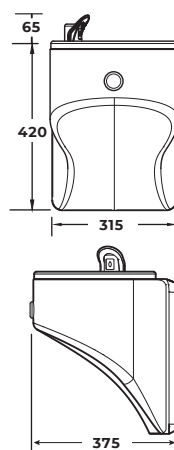

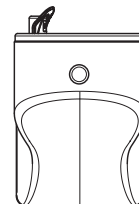

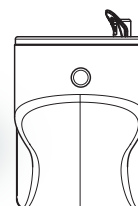

The **Wall Twin Drinking** aquaBUBBLER is a wall mounted indoor/outdoor drinking fountain comprising two individual units, each with a drinking tap and mouthguard. Both units are AS1428 compliant and each can be mounted at any height desired.

Installing **Wall Twin Drinking** aquaBUBBLER in busy thoroughfares is an effective use of wall space: making your drinking water point visible and accessible to everyone on their way through.

The streamline design of the **Wall Twin Drinking** aquaBUBBLER allows for tidy integration of the unit body to the wall, and an easy-install 304 SS bracket provides secure attachment.

The **Wall Twin Drinking** is manufactured and assembled entirely in Australia and is available in a variety of heights and colours. A range of accessories augments the functionality of your Wall Twin Drinking, and our full service program prolongs its life indefinitely.

Flexible install height for users of different ages & abilities
