

Classic aquaBUBBLER

Product Code : AB12

Our original model, the **Classic aquaBUBBLER** drinking fountain has 2 taps, including one exclusively for refilling bottles. Its all abilities Palm Push taps require minimal force to operate (18 N to initiate, and 15 N to maintain flow). Pedal operated Hands Free tap option is also available.

All materials and parts used are heavy duty and graffiti-resistant for a long life of service. The Classic is manufactured and assembled entirely in Australia and is available in a variety of heights and range of colours. A range of accessories augments the functionality of your Classic, and our full service program prolongs its life indefinitely.

EXTRA : Branding and Signage, Dog Bowl options are available. More information on your request
