

Classic aquaBUBBLER

Product Code : AB12

The Classic aquaBUBBLER features 2 state-of-the-art, drip-free taps including a water bottle refill station. The taps are designed to be used simultaneously without any major reduction in water pressure/flow.

It is ideal for heavy traffic/high activity areas - where time is limited and demand for having a drink and refilling water bottles is high.

EXTRA : Branding and Signage, Dog Bowl options are available. More information on your request

The Classic aquaBUBBLER features:

- large self-closing push button (operable by one hand)
- non-squirt water exit nozzle
- water bottle filler
- adjustable water pressure
- hygienic stainless steel dish
- vandal resistant
- graffiti proof
- ergonomic
- contemporary design and hardwearing
