

# Wall Refill aquaBUBBLER — the cool, space-saving water bottle filler for every environment

**FINALIST  
2021**

**Victorian Premier Design Awards**

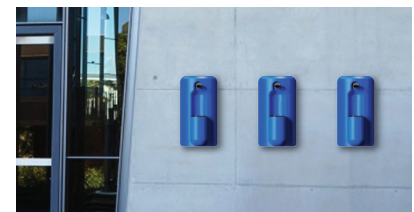

The solution for limited spaces & large walls alike. The perfect product for beginning your hydration journey or taking it to the next level.

## Where there's a wall, there's a way

- Streamline design with no hard corners
- Seamless integration of body to wall
- Effective hydration for through-traffic
- Off the floor: space saving
- Protected from weather & soiling
- Easy to clean
- 304 SS bracket for secure wall attachment
- Stand-alone or in series for hydration hub
